

## Panel. Thesis Assessment Report

---

Student  
Thesis Title

In accordance with the specific regulations set by the Board of Studies for the Master's in Neuroscience, the following sections and percentages (provided in brackets) are taken into account when assessing master's theses: 1) Performance and development of the work produced (40%); 2) Content and formal aspects in the report (30%); and 3) Public viva presentation and defence (30%). The tutor assesses point 1) and the panel assigned by the Board of Studies assesses points 2) and 3).

Appendices I and II set out the details of the two marks to be awarded by the panel, based on the skills to be acquired by students.

Marks out of ten are awarded for the following sections:

A1. Mark for performance and development of the work (tutor report)	
A2. Mark for content and formal aspects of the written report	
A3. Mark for public viva presentation and defence	
FINAL MARK ( $A1*0.4+A2*0.3+A3*0.3$ )	

Date:

Signatures and names of panel members

B1. Abilities in expression, coherence and cogency in written communication

---

Comment

Mark B<sub>1</sub>

B2. Use of nomenclature, terminology and bibliography in the field of study

---

Comment

Mark B<sub>2</sub>

B3. General mark for presentation of the written report

---

Comment

Mark B<sub>3</sub>

C1. Ability to plan, apply suitable methodology to and make decisions on research in the field of neuroscience

---

Comment

Mark C<sub>1</sub>

C2. Ability to analyse and interpret data in the field of neuroscience

---

Comment

Mark C<sub>2</sub>

**Mark for content and formal aspects of the written report**

1/5 (B<sub>1</sub>+B<sub>2</sub>+B<sub>3</sub>+C<sub>1</sub>+C<sub>2</sub>) =

## APPENDIX II Mark for Public Viva Presentation and Defence

The top mark for each section is 10 points. Sections C1 and C2 correspond to specific or general skills for this subject.

D1. Logical, clear, rigorous and convincing presentation with a smooth and streamlined discourse

Comment

Mark D<sub>1</sub>

D2. Use of graphic elements that aid understanding of the topic

Comment

Mark D<sub>2</sub>

D3. Sticking to stipulated time

Comment

Mark D<sub>3</sub>

D4. Answers to questions are clear, suitable, convincing and precise

Comment

Mark D<sub>4</sub>

C1. Knowledge of writing and public presentation technique for personal and research work

Comment

Mark c<sub>1</sub>

C2. Ability to disseminate acquired knowledge

Comment

Mark c<sub>2</sub>

**Mark for public viva presentation and defence**  
1/6 (D1+D2+D3+D4+C1+C2) =
